

## My Rights: The right to be taken care of.

All children have the right to be taken care of, and it is the responsibility of all adults to help keep them safe. You are a precious part of our community, and we will do whatever we can to protect you. Every child has the right to be taken care of in ways that make them feel loved, safe, and secure. So if someone is trying to hurt you, know that there will always be other adults here to protect you. Find one!
