Different Ways of Sharing

When you think of sharing you probably think about sharing your toys and your possessions, or perhaps sharing food or treats. But there are many different ways of sharing besides just sharing what you have.

In the space below, write one example of the different ways to share.

1. Sharing your time: _____

2. Sharing your knowledge: _____

3. Sharing your love: _____

4. Sharing your concern: _____

5. Sharing your life and Experiences:
