Food

There are some types of **food** that little kids can choke on: Hot dog pieces, grapes, melon balls, some types of candy, and lots more. So always check with mom and dad before giving something to baby!

Shut

Whenever you go outside, remember to always **shut** the door behind you! Little kids might want to follow you, but if they slip outside without mom and dad noticing, they could get themselves into danger and wind up getting hurt.

Kids

Little **kids** love to put things in their mouth. They love it so much that they do so 20-30 times every hour! So if you leave something dangerous laying around where little **kids** can get it, they'll put it in their mouth and might hurt themselves. So always pick up after yourself!

Pan

Whenever mom or dad are cooking on the stove, remind them to turn the **pan** handles inward, so that little kids don't grab them. If mom or dad forget, remind them!
