Somebody in the park has lost his puppy, & he wants Haley to help him look for it. What do you think - should she help him? NO! This is a stranger trick. Even if a grown-up had lost a puppy, he might ask you if you'd seen it, but no adult in their right mind would ask a strange kid to help them look. So if this ever happens to you, say no, stay away, and immediately start walking to the nearest adult that you know. If none are around, find another parent with kids and tell them what is going on.
